## Our programmes are called

Snapshots for Grades 3 & 4

Snapshots for Grades 5 & 6

Writing Beyond Primary School (Years 7 & 8)

You Pull the Strings (Years 7 & 8)

Each session covers some :

- Writing skills
- Reading comprehension
- Vocabulary enrichment and word usage
- Grammar, punctuation and parts of speech
- An overall theme for each session which will enhance general knowledge.  
Reading and writing in English should be done in a context to have meaning.

*Many children complete one or two of these groups before attempting the scholarship exam preparation WRITING classes.*

## How These Snapshot Courses Are Different From Our Scholarship Writing Courses.

- In the Snapshot Courses (and in Writing Beyond Primary School) we are aiming to improve the general writing and reading skills of the students so that they may use these skills in their everyday school work.
- In the Scholarship Writing Courses we are teaching the skills needed to become proficient in interpreting an unseen topic and writing a piece which suits the predetermined criteria of the examining body.

## NOTES:

---

## ADDITIONAL ASSISTANCE

---

### Essay Correction Service

We will set the topics for your child to complete at home. Under your supervision, they can reinforce their current learning. Your child will be provided with addressed envelopes to the corrector. We guarantee that the essay will be in the mail within 48 hours of receipt. We have the option of three essays (\$75) or six essays (\$150). This service is only available to students who have undertaken one of our writing workshops.

### Individual Tutoring In Maths And English

We do provide additional individual tuition for the workshops in our Hawthorn offices.

We do not offer our workshops on an individual basis as much of the learning that takes place is reinforced by the interaction between the students in the small group.

Individual workshop tuition is available for those seeking additional clarity of content covered in workshops. One hour of tuition may be all that is required to turn the light on.

Scholarship and Entrance Exam tuition:

- \$75 per hour.
- All payments must be made prior to first session.
- Small groups can be arranged upon request at \$50 per student per hour.
- One hour sessions after school are available subject to appointments already made.

Tutors are available on Mondays, Tuesdays, Wednesdays and Thursdays after school hours. As these tutors also do general tutoring, they are usually fairly heavily booked so appointment times need to be made early.

**MATERIALS: We do not supply or sell our materials under any circumstances. Students who are absent from a session will not receive the material.**
